Soft Skills

- Strong problem-solving skills;
- Effective team collaboration
- Adaptable and quick learner
- Time management and attention to detail

Language

- English
- Hindi
- Bengali

Projects

E-commerce Application (Full Stack)

- Developed an e-commerce platform with product listings, cart, and checkout features using Next.js for SSR and SEO optimization.
- Integrated Prisma ORM with MongoDB for database management and smooth data interactions.
- Implemented user authentication and authorization using JWT and session management with Next.js API routes.

Blog Application

- Developed a full-stack blog application using Next.js for front-end and back-end functionality.
- Used Prisma for database queries and MongoDB to store blog data.
- Implemented features like user authentication, CRUD operations for blog posts, and dynamic routing with Next.js.

Others Projects list :

- Portfolio Website;
- Task Management App
